

**IN THE CLAIMS:**

Please cancel claims 21-32 without prejudice or disclaimer of the subject matter thereof.

The following is a complete listing of claims in this application.

1. (original) Clothing used in the treatment and reduction of the pains characterized with a band (2), one or more conductive wire (3) which can be fixed onto a band and two or more magnets (5) fixed onto the said band (2).

2. (original) Clothing as defined in Claim 1 characterized with a band (2) on the waist part.

3. (currently amended) Clothing as defined in ~~any of the Claims above~~ Claim 1 characterized with an elastic band (2).

4. (currently amended) Clothing as defined in ~~any of the Claims above~~ Claim 1 characterized with a wire (3) having the thickness of a thread.

5. (currently amended) Clothing as defined in ~~any of the Claims above~~ Claim 1 characterized with a wire (3) having the width of a strip.

6. (currently amended) Clothing as defined in ~~any of the Claims above~~ Claim 1 characterized with a wire (3) which is weaved with another thread in the band.

7. (original) Clothing as defined in Claim 6 characterized with a band made of a thread having a thickness more than the wire.

8. (currently amended) Clothing as defined in ~~Claims 1-5~~ Claim 1 characterized with a wire (3) which is adhered on the band.

9. (currently amended) Clothing as defined in ~~any of the Claims above~~ Claim 1 characterized with a band comprising a wire (3) extending along the entire length.

10. (currently amended) Clothing as defined in ~~Claims 1-8~~

Claim 1 characterized with a band comprising a wire extending to an extent.

11. (currently amended) Clothing as defined in ~~any of the Claims above~~ Claim 1 characterized with a wire covered by an insulation material.

12. (currently amended) Clothing as defined in ~~any of the Claims above~~ Claim 1 characterized with a band having an open end.

13. (currently amended) Clothing as defined in ~~any of the Claims above~~ Claim 1 characterized with a wire made of a ductile metal having a high efficiency.

14. (currently amended) Clothing as defined in ~~any of the Claims above~~ Claim 1 characterized with a wire attached to the band in a zigzag way.

15. (currently amended) Clothing as defined in ~~any of the Claims above~~ Claim 1 characterized with a wire attached to the band in a wavy way.

16. Clothing as defined in ~~Claims 1-15~~ Claim 1 characterized with wires having serial connections.

17. (currently amended) Clothing as defined in ~~any of the Claims above~~ Claim 1 characterized with wires having parallel connections.

18. (currently amended) Clothing as defined in ~~any of the Claims above~~ Claim 1 comprising two or more pockets (4) for the placement of the magnets (5).

19. (original) Clothing as defined in Claim 18 characterized with a pocket formed by being folded and sewed from the ends of the band.

20. (original) Clothing as defined in Claim 18 characterized with a pocket formed by the addition of another fabric on the band.

Claims 21-32 (canceled).
